

# Infinity Sewing Limited

**I created Infinity Sewing in 2019 with over 12 years of experience in the sewing and textiles sector, with the goal of channeling my passion and experience into a respected supplier of industrial sewing machines and equipment.**

# **Chain stitch embroidery. machine | Infinity Sewing Limited**

**Infinity Sewing Limited offers the best chain stitch embroidery machine. All machines in this series have received design upgrades in recent years, which have improved their performance as well as a new heavy-duty table and stand, as well as a new machine head. Upgrades have been made. Thanks to the updated control panel, speed can now be adjusted much more easily.**
