.wav file format makes it easy to play audio tracks from any application or hard drive. Tune, mix, scratch, and master with TRAKTOR DJ 2 today. +++ More features +++ * SCRATCH CONTROL ON BOARD - Scratch tracks with TRAKTOR's intuitive real-time sampler. Simply choose a sample from TRAKTOR's library, choose a channel, and create your own original tracks. * THE RAW SOUND OF TRACK LIBRARIES - All TRAKTOR DJ 2's tracks are loaded directly from TRAKTOR's song .wav files, and stored in the local hard drive. TRAKTOR DJ 2 accesses these tracks directly, without the need for third-party plugins or separate downloaders. * IN-APP TRACK COLLECTION - Featuring over 3,000 royalty-free, high quality song samples - including loops, instrumentals, leads, drop shots, and more. * ALBUMS - Hundreds of fully remastered dance music albums with TRAKTOR's unique multi-mixing engine. * FADER AUDIO - Dozens of modern indie dance albums with TRAKTOR's unique multi-mixing engine. * LIVE TRACKS - All TRAKTOR DJ 2's music sources are connected to a TRAKTOR-enabled turntable. This enables DJs to scratch tracks from external audio sources like a CD, MP3 player, or a streaming radio. * TRAKTOR-WAV - A new, cross-platform audio format that preserves all the original features of TRAKTOR's song .wav files. * LEAD SYNCHRONIZER - A built-in mixing tool that automatically syncs multiple tracks together, allowing DJs to build tight, live, mixes. * MIX STUDIO - A full-featured mixer tool that lets you adjust levels, EQ, automate, cross-fade, sample and loop, and more. Mix and master your tracks with a single click. * INTRODUCTORY PACKAGE - TRAKTOR DJ 2 comes with the fully featured and upgraded TRAKTOR DJ Lite package.
