Apr 27, 2563 BE I was just going to add this to my old request for the Insanity Asylum video. But hey, it's the exact same thing. Maybe you're letting the vid ring a bit too long already? But I'm pretty sure there's a review on YouTube of all the videos of Insanity already, right? I saw there was one there for The Asylum and it was the exact same thing, so you might want to try that one. As far as I can tell, Insanity The Asylum is a smaller fitness DVD, and Shaun's workout is a lot smaller too, so it might be more comfortable. Or do I miss something? Apr 29, 2563 BE Oh, I didn't know that he did this workout. But, of course, you can't get the insane workout videos without the insanity workout video first, right? I know you won't have to do it all if you've got that one. I'd recommend doing that one and then doing Insanity Asylum video after that. That way you'll be covered for the workouts that you can't do. And then for the workouts that you're able to do, you'll still have that one to fall back on, so you can tailor it to your own fitness level. Sep 20, 2563 BE Well, I'm part of the team behind "Let's get fit!" and the biggest reason for us using this workout was the insane amount of exercise videos out there, but we also figured that we could cater this to our audience and have it be a little more fun and a little more welcoming. Not only that, but we could work in some of the cool stuff we found in the Insanity Asylum (if I'm allowed to be too specific). Plus, we could have the insanity workout as the first one in the series. I know Shaun is a big advocate of doing his Insanity before you even start thinking about doing another workout. I would suggest giving it a try and let me know what you think of it and how it is or isn't. Mar 13, 2563 BE I'm new to FitFling.com and I was searching the site for similar content but I'm not seeing it. I went to your website and I'm confused why the insanity workouts are missing. Are you still streaming the insanity workout vid because I can't download the tv shows or is the workout not in the archive? Sep 24, 2564 BE
